PUBLIC ART DAY & ART FORUM
On Tuesday, July 14, papers on creative art are delivered during the day
and an exhibition of art work brought in by participating artist will be
shown. ISDH will invite artists and art collectors from China to attend
as guests. Our artists are welcome to sell their art works.

3D REALTIME DISPLAY DEMONSTRATION
For the first time, a real time 1.8 x 1.3 m 3D holographic TV system will
be publicly demonstrated. All artists are encouraged to bring digital files
("JPG." format) to broadcast in this special facility, it could be fun for
people to enjoy their holograms in realtime before they plan to print it
out. The files should be sent to welcome@isdh.org.cn several days
ahead of time for us to install.
